

[§347-2.5] Service dog, defined. As used in this chapter, "service dog" means any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, intellectual, or other mental disability. A companion or comfort animal is not a service dog unless it meets the requirements of this definition and it accompanies a person for the purpose of performing the work or tasks for which it has been trained.
