Enter the text to search for and click **Search** to get a list of statutes containing the text you entered. Tips:

Multiple words will be searched as a phrase. Entering **Property Tax** will return statutes that contain the complete phrase Property Tax.

Logical Operators are allowed. Hunting **and** Fishing will return statutes that contain both hunting and fishing. Hunting **or** Fishing will return statutes that contain hunting, fishing, or both.

Wild cards(*) are allowed. Entering **Approp*** will return statutes that contain Appropriation, Appropriate, Appropriated, etc..

Punctuation can also be used as operators. **+** = and, **,** = or. Searching for phrases that have **,** **and** will result in error unless you enclose the entire phrase in quotes.

The Filter option allows you to narrow your search results to a specific Title or Chapter. Here is a tip for using the filter option.

Use a dash (-) as the last character of your filter to refine searches. For example the filter "1-1" returns sections in 1-1, 1-10, 1-11, 1-12, etc. The filter "1-1-" returns only sections in Chapter 1-1.
