## § 3.2-6527. How to obtain license.

Any person may obtain a dog license or cat license if required by an ordinance adopted pursuant to subsection B of § 3.2-6524, by making oral or written application to the treasurer of the locality where such person resides, accompanied by the amount of license tax and current certificate of vaccination as required by this article or satisfactory evidence that such certificate has been obtained. The treasurer or other officer charged with the duty of issuing dog and cat licenses shall only have authority to license dogs and cats of resident owners or custodians who reside within the boundary limits of his county or city and may require information to this effect from any applicant. Upon receipt of proper application and current certificate of vaccination as required by this article or satisfactory evidence that such certificate has been obtained, the treasurer or other officer charged with the duty of issuing dog and cat licenses shall issue a license receipt for the amount on which he shall record the name and address of the owner or custodian, the date of payment, the year for which issued, the serial number of the tag, whether dog or cat, whether male or female, whether spayed or neutered, or whether a kennel, and deliver the metal license tags or plates provided for herein. The information thus received shall be retained by the treasurer, open to public inspection, during the period for which such license is valid. The treasurer may establish substations in convenient locations in the county or city and appoint agents for the collection of the license tax and issuance of such licenses.
