174.053 Multiple dog licenses.

- (1) **MULTIPLE DOG LICENSE OPTION.** Any person who keeps more than one dog may, instead of the license tax for each dog required by this chapter, apply to the collecting official for a multiple dog license for the keeping of the dogs. Such person shall pay for the license year a license tax of \$35 for 12 or fewer dogs and an additional \$3 for each dog in excess of 12. Upon payment of the required multiple dog license tax and upon presentation of evidence that all dogs over 5 months of age are currently immunized against rabies, the collecting official shall issue the multiple dog license and a number of tags equal to the number of dogs authorized to be kept by the person.
- (2) **MULTIPLE DOG LICENSE TAGS.** Multiple dog license tags shall be made in a form so that they may be readily distinguishable from the individual license tags for the same year. The owner or keeper of dogs for which a multiple dog license has been issued shall keep at all times a multiple dog license tag attached to the collar of each dog over 5 months old kept by the owner or keeper under a multiple dog license, but this requirement does not apply to a dog during competition or training, to a dog securely confined indoors, to a dog while hunting, or to a dog securely confined in a fenced area. An owner or keeper may transfer a multiple dog license tag from a dog that the owner or keeper no longer owns or keeps to another dog if the other dog is currently immunized against rabies. The rabies vaccination tag or substitute tag shall remain attached to the dog for which it is issued at all times, but this requirement does not apply to a dog during competition or training, to a dog securely confined indoors, to a dog while hunting, or to a dog securely confined in a fenced area. No dog bearing a multiple dog license tag shall be permitted to stray or to be taken anywhere outside the limits of the owner's or keeper's premises unless the dog is in leash or temporarily out for the purposes of hunting, breeding, trial, training, or competition.
- (3) **APPLICABILITY OF OTHER REQUIREMENTS.** Unless clearly inapplicable, all the provisions of this chapter relating to the individual dog license tax, licenses, and tags shall apply to the multiple dog license and tags.

The amount remaining in the fund after deducting these expenses shall be available for and may be used as far as necessary for paying claims allowed by the county to the owners of domestic animals because of damages done by dogs during the license year for which the taxes were paid. Any surplus in excess of \$1,000 which may remain from the dog license taxes of any license year shall on March 1 of the succeeding year be paid by the county treasurer to the county humane society or other organization designated by the county board to provide a pound. If there is no humane society or other organization designated to provide a pound, these funds shall be paid to the towns, villages, and cities of the county for their use in the proportion in which the towns, villages, and cities contributed to the fund out of which the surplus arises.

- (3) In a county in which an agreement under s. 174.10 (2) is in effect, the intergovernmental commission shall maintain the dog license fund, consisting of the dog license taxes. The intergovernmental commission shall pay 5 percent of the minimum dog license tax provided for under s. 174.05 (2) to the department and shall expend the remainder of the dog license fund for the purposes of administering the dog license law, providing a pound for dogs, and paying claims allowed under s. 174.11. - (1) The owner of any domestic animal, including a ranch mink, when it is proven that a dog forcibly entered an enclosure in which the mink was kept, which is attacked, chased, injured, or killed by a dog may, within 3 days after the owner has knowledge or notice thereof, file a written claim for damages with the clerk of the town, village, or city in which the damage occurred or, if it occurred in a town or village, with the chairperson of such town or the president of such village. The form of the claim may be prescribed by the department of agriculture, trade and consumer protection. Upon presentation of a claim the supervisors of the town, the board of trustees of the village, or the common council of the city, or a committee appointed for that purpose by the supervisors, the board of trustees, or the common council shall promptly investigate the claim and may subpoena witnesses, administer oaths, and take testimony relative to the claim and shall within 30 days after the filing of the claim make, certify, and return to the county clerk or, in a county in which an agreement under s. 174.10 (2) is in effect, to the intergovernmental commission the claim, a report of the investigation, the testimony taken, and the amount of damages suffered by the owner of the domestic animal.

(2)

- (a) The form of the report and certification under sub. (1) may be prescribed by the department of agriculture, trade and consumer protection, and shall be subscribed by the supervisors, board, or committee making the report and certification.

- (b) Except as provided in par. (c), the county clerk shall submit to the county board at its first meeting, following the receipt of any such claim, all claims filed and reported, and the claims shall be acted upon and determined by the county board as other claims are determined and acted upon. Except as provided in par. (c), the amount of damages filed and reported to the county clerk shall be prima facie proof of the actual damages sustained, but evidence may be taken before the county board relative to the claims as in other cases, and appeals from the action of the county board shall lie as in other cases.

(4) Subject to s. 13.92, if an intergovernmental agreement is in effect, the amount determined to be the fair market value of the domestic animal, including a ranch mink, killed by a dog, on the date the death occurred. Subject to sub. (5), the county board or, in a county in which an agreement under s. 174.10 (2) is in effect, the intergovernmental commission shall allow, as the amount of a claim for a domestic animal, including a ranch mink, injured by a dog, the amount determined to be the total of the costs resulting from the injury including a loss in fair market value but the total amount of the claim may not exceed the fair market value. No claim may be paid to any person who has failed to pay a dog tax on an assessable dog.

(5) A county board may, by ordinance, establish the maximum amount that may be allowed for a claim under this section and may establish different maximums for different species of animals.

174.12 Actions against owners.

- (1) The allowance by a county of any claim for damages done by dogs constitutes an assignment to the county of the cause of the action of the claimant for which the claim is filed, and the county may sue and recover from the owner of the dog or dogs doing the damages the full amount thereof and which shall not be limited to the sum paid the claimant by the county. The allowance under s. 174.11 (2) (c) by an intergovernmental commission of any claim for damages done by dogs constitutes an assignment to the intergovernmental commission of the cause of the action of the claimant for which the claim is filed, and the intergovernmental commission may sue and recover from the owner of the dog or dogs doing the damages the full amount thereof and which shall not be limited to the sum paid the claimant by the intergovernmental commission. Before any claim shall be allowed by a county or an intergovernmental commission on account of damages done by dogs, the claimant shall furnish satisfactory proof that the damage was not done in whole or in part by any dog owned, kept, or harbored by the claimant.
- (2) No claim shall be allowed by a county board or an intergovernmental commission at less than the amount so certified and reported, unless the claimant shall first be notified that such action is contemplated and shall have been given a reasonable opportunity to be heard and to offer further evidence in support of the claimant's claim.
- (3) This chapter shall not in any way limit the existing right or authority of any town, village or city to pass ordinances for the keeping and regulating of dogs, or repeal or annul any existing statute or ordinance or local regulation governing the keeping and regulating of dogs; but on and after July 1, 1920, no town, village or city shall pass any ordinance for the licensing of dogs, and all town, village or city ordinances and local regulations licensing dogs then in force shall be null and void.
- (4) No person except the owner or the owner's authorized agent shall remove any license tag from a dog collar or remove any collar with a license attached thereto from any dog. No person shall keep or harbor a dog wearing a fictitious, altered or invalid license tag, or a license tag not issued in connection with the licensing or keeping of the dog wearing the same. No license or license tag issued for one dog shall be transferable to another dog. Every town, village or city treasurer shall notify the district attorney of that treasurer's county of every refusal or failure of an owner to obtain a license for keeping the owner's dog and it shall be the duty of the district attorney to institute proceedings against such owner and against every owner within the district attorney's county who has violated any of the provisions of the dog license law.
- (5) Dogs brought into the state temporarily for a period not to exceed 30 days if kept confined or in leash shall be exempt from this chapter.
- (6) The provisions of this chapter relating to the licensing of dogs and the provisions for the payment of claims out of the dog license fund for damages done by dogs are severable and the provisions relating to such payment of claims are not an inducement to the enactment of any other provisions of this chapter.
