18 Animal Control. (Refs & Annos)

IV Commercial Guard Dogs.

§ 8-1841.03 Health.

§ 8-1841.03 Health.

(a) All commercial guard dogs shall undergo an annual examination by a licensed veterinarian for the purpose of determining whether or not the animal is healthy and fit to work as a commercial guard dog. Upon a determination by a licensed veterinarian that a commercial guard dog is unfit to work, the dog shall not be used to guard, protect, patrol, or defend any commercial premises until the dog is re-examined by the veterinarian. Upon a determination by a licensed veterinarian that a commercial guard dog is permanently unfit to work, the dog shall be immediately retired. _

TRUST, BUT VERIFY

If you're reading this for anything important, you should double-check its accuracy on the official DC Code website.

[KEYBOARD GUIDE](#)

(b) It shall be unlawful for any individual, business, or entity to cause, allow, use, or train commercial guard dogs that have undergone the surgical procedure of ventricular cordectomy. __
